The all-new Seltos

Stand out.

Movement that inspires

We are Motus

Stand out in the all-new Seltos

Some SUVs are made for those who blend in. The all-new Kia Seltos is made for those that refuse to.

This second-generation subcompact SUV is bolder and smarter than ever before. It's designed to elevate those who value individuality as much as versatility.

Agile enough for the daily weave through the city, yet roomy and capable for whatever the weekend has in mind. It empowers you to discover more of yourself in a way that adapts to your life, not the other way round.

Because the Seltos was never built to follow.

Impressions precede you

The Seltos makes an entrance. Developed under Kia' s Opposites United design philosophy, it balances a rugged SUV strength with refined modernity. Its surfaces and structure express a presence that reads as capable and considered - effortlessly so.

Kia's signature Star Map lighting and a moving welcome-light sequence greet you the moment you approach, while flush-fitting door handles not only create a cleaner, more premium appearance but also improve aerodynamic efficiency. Along the sides, strong shoulder lines and a floating roofline create a sense of movement even when it's standing still. At the rear, vertical tail lamps stretch across the tailgate, giving the Seltos a wide, assured stance.

Bold from every angle, the all-new Seltos is impossible to overlook.

Specification varies by model. Please consult your Kia dealership to confirm all specification.

Every drive feels just as considered.

Smart Key with Push-Button Start
Unlock and start the vehicle while keeping the key in your pocket or bag for added convenience.

*Available from LX upward.

Ventilated Front Seats
Circulate cool air through the front seats to help keep the driver and front passenger comfortable on warm days.

*Available on GT-Line S and X-Line.

Power Driver's Seat
Adjust your seat position at the touch of a button for a more comfortable drive.

*Available on GT-Line S and X-Line.

Dual-Zone Climate Control
Set separate temperatures for the driver and front passenger, so each side of the cabin feels just right.

*Available from LX upward.

Panoramic Sunroof

* Images may show features not available in South Africa and are included for illustrative purposes. Specification varies by model. Please consult your Kia dealership to confirm all specification.

Power that sets you apart

The all-new Seltos delivers a thrilling drive built on Kia's K3 platform, which ensures confident, refined and versatile driving that gives you the freedom to own the road, your way.

This compact SUV offers a focused range of powertrain options, delivering strong everyday performance, long-distance usability and efficiency to meet a wide range of needs.

* Images may show features not available in South Africa and are included for illustrative purposes. Specification varies by model. Please consult your Kia dealership to confirm all specification.

1.5-litre GT-Line S turbocharged petrol engine

With 119 kW and 253 Nm, paired with a dual-clutch transmission, the Seltos brings a more spirited drive for those who want more from every journey.

*Available on GT-Line S models.

1.5-litre CRDi turbodiesel engine

With 85 kW and a strong 250 Nm of torque, paired with an 6-speed automatic transmission, the Seltos gives you effortless pulling power and impressive long-distance economy.

*Available on GT-Line and X-Line models.

1.5-litre MPI petrol engine

With 85 kW and 144 Nm, offered with a 6-speed manual transmission or intelligent CVT, the Seltos delivers smooth, efficient and responsive performance for everyday city and open-road driving.

*Available on LS, LX and GT-Line models

* Images may show features not available in South Africa and are included for illustrative purposes. Specification varies by model. Please consult your Kia dealership to confirm all specification.

Adapts to the road, and to you

Whatever the journey brings, the all-new Seltos is ready to respond, adapting to changing conditions and the way you choose to drive.

* Images may show features not available in South Africa and are included for illustrative purposes.
Specification varies by model. Please consult your Kia dealership to confirm all specification.

200mm Ground Clearance
Take on speed bumps, gravel roads and rougher surfaces with added confidence and clearance underneath the vehicle.

Tuned Suspension

Smooth out uneven roads with a MacPherson-strut front suspension and coupled torsion-beam rear setup, tuned to deliver composed handling and a comfortable ride.

Hill Start Assist Control

Pull away on an incline with greater confidence, as the system helps prevent the vehicle from rolling backwards.

Downhill Brake Control

Maintain a steady, controlled speed on steep descents, so you can focus on steering the line ahead.

Towing Capacity

Bring more on your adventures with a towing capacity of up to 1,100 kg braked or 550 kg unbraked, enough for a trailer, bikes or a small caravan.

* Images may show features not available in South Africa and are included for illustrative purposes.
Specification varies by model. Please consult your Kia dealership to confirm all specification.

Safety from the inside out

Safety is never an afterthought. The Seltos is equipped with a comprehensive range of safety, security and driver-assistance features designed to offer peace of mind on every drive.

A full suite of airbags, including driver, passenger, front thorax and curtain airbags, helps provide all-round occupant protection.

* Images may show features not available in South Africa and are included for illustrative purposes.
Specification varies by model. Please consult your Kia dealership to confirm all specification.

Core safety features

The Seltos covers the essentials with key safety systems fitted across the range, including Anti-lock Braking System, Electronic Stability Control, Hill Start Assist Control, Tyre Pressure Monitoring System, a Rear-View Camera, and ISOFIX Child-Seat Anchors.

Parking Support
Park with added confidence. Rear Parking Distance Warning is fitted on LS, while front and rear Parking Distance Warning is included from LX upwards.

Cruise Control
Set a manual speed limit, available on all models.

Lane Keeping Assist
Stay on course with lane-marking detection and steering assistance if the vehicle begins to drift without indicating.

*Available on GT-Line S and X-Line models.

Advanced Driver Assistance on GT-Line S and X-Line
Add extra confidence with Blind-Spot Collision-Avoidance Assist; Rear, Lane Keeping Assist, Forward Collision-Avoidance Assist, Lane Following Assist and Smart Cruise Control with Stop & Go.

Blind-Spot Collision-Avoidance Assist - Rear
Monitor the areas behind and alongside the vehicle, with warnings for vehicles in the blind spot and assistance when needed to help reduce the risk of a collision.

*Available on GT-Line S and X-Line models.

Smart Cruise Control with Stop & Go
Maintain a set speed and following distance from the vehicle ahead, with Stop & Go functionality that helps reduce driver effort in slower-moving traffic.

*Available on GT-Line S and X-Line models.

Forward Collision-Avoidance Assist
Detect potential frontal collision risks, warn the driver and provide braking assistance when needed to help avoid or reduce the severity of an impact.

*Available on GT-Line S and X-Line models.

Lane Following Assist
Keep the vehicle centred in its lane with gentle steering support when lane markings are detected.

*Available on GT-Line S and X-Line models.

Smart enough to stay ahead

The Seltos brings intelligent technology into every part of the drive, with features designed to feel more intuitive, more personal and unmistakably future-thinking.

Wireless Apple CarPlay and Android Auto

Connect your compatible smartphone wirelessly for seamless access to navigation, music, calls and apps. Included across the range.

AV Infotainment Display

Access navigation, music, calls and vehicle settings through a clear central display. LS models feature a 10.25-inch AV infotainment display, while LX models and upwards upgrade to a larger 12.3-inch display for a more premium, high-tech cabin feel.

Digital 12-inch TFT instrument cluster

A fully digital driver display gives key driving information a cleaner, more modern presentation.

Available on GT-Line S and X-Line models

* Images may show features not available in South Africa and are included for illustrative purposes.
Specification varies by model. Please consult your Kia dealership to confirm all specification.

Bluetooth with voice recognition and audio remote control
Stay connected while keeping your focus on the road, with convenient voice and steering-mounted audio controls.

*Included across the range.

USB connectivity
Front USB and USB charging ports help keep devices connected on every journey.

*Included across the range.

Wireless smartphone charger
Charge your compatible smartphone without the need for cables.

*Available from GT-Line upwards.

Bose Premium Sound System
Immerse yourself in a rich, immersive sound, carefully optimised for the cabin's acoustic design.

*Available on GT-Line S and X-Line models.

Electric Parking Brake with Auto Hold
Hold the vehicle securely when stopped in traffic or on inclines, adding convenience and confidence before you move off again.

*Available from LX upwards; LS availability depends on transmission.

* Images may show features not available in South Africa and are included for illustrative purposes.
Specification varies by model. Please consult your Kia dealership to confirm all specification.

The All-New Kia Seltos Models

Kia Seltos LS

LS models are available in both manual and CVT petrol and come impressively equipped with a comprehensive standard specification. Safety and convenience are well catered for with six airbags, Electronic Stability Control, rear Park Distance Control and LED lighting. Inside, the Seltos LS features wireless Apple CarPlay and Android Auto functionality, making everyday connectivity simple and convenient.

Kia Seltos LX

The Seltos LX, available in CVT petrol, builds on the LS specification by adding a number of comfort and convenience upgrades. These include front Park Distance Control, a larger 12.3-inch infotainment screen, dual-zone climate control, Smart Key with Push Button Start and enhanced everyday practicality.

Kia Seltos GT-Line

EX derivatives are available in both CVT petrol and automatic diesel and further enhance the Seltos package with additional comfort, convenience and style. The GT-Line adds 18-inch alloy wheels, a panoramic sunroof, mood lighting, wireless smartphone charging, an ECM rear-view mirror and rain-sensing wipers.

Kia Seltos GT-Line S and X-Line

The halo models in the Seltos range consist of the GT-Line S, available with the 1.5 Turbo engine, and the X-Line, available with the 1.5 diesel automatic. These models introduce unique exterior and interior design accents, dynamic welcome lighting, a power-adjustable driver' s seat, ventilated front seats and a Bose premium sound system. They also add Smart Cruise Control and the full ADAS safety suite for a more confident driving experience.
